

Doptelet Connect offers access and reimbursement support to help patients access Doptelet® (avatrombopag). Doptelet Connect provides information regarding patient insurance coverage and financial assistance information that may be available to help patients with financial needs. Doptelet Connect can:

- Evaluate a patient's insurance coverage, including benefits investigation, prior authorization, and appeal support
- Identify potential financial assistance options that may be available to help patients with financial needs
- Answer logistical questions and provide information and coordination around the specialty pharmacy fulfillment process

PATIENT ASSISTANCE OFFERINGS

Doptelet Connect provides information about programs and patient assistance options that may be available to patients. These offerings include:

- The **Doptelet Copay Assistance Program*** is for eligible patients who have commercial prescription insurance. Patients may pay as little as \$0 per prescription, up to a maximum benefit of \$15,000 per calendar year.
- The **Doptelet Patient Assistance Program†** provides patients with Doptelet at no cost to patients who meet the eligibility requirements.
- The **Doptelet Bridge Program†** can provide a limited supply of Doptelet, at no cost, to eligible patients experiencing a gap in coverage for Doptelet.
- The **Doptelet Free Trial Offer‡** provides a 15-day supply of Doptelet, at no cost, to patients who are new to Doptelet and have chronic immune thrombocytopenia (ITP). The Free Trial Offer allows physicians and patients to evaluate a patient's clinical response to Doptelet to determine whether it is the appropriate treatment.

PHARMACIES AND DISTRIBUTORS

Doptelet prescriptions are filled only through specialty pharmacies in the Doptelet network or by dispensing physician practices. Specialty pharmacies typically mail the prescriptions directly to the patient. There are also physician practices that elect to dispense Doptelet through their in-office dispensing pharmacies.
