

Discover a new way to track and help manage ITP

my florio ITP™ is an app designed for adults with immune thrombocytopenia (ITP)

Download on the App Store

Download on Google Play

In partnership with

Platelet Disorder Support Association

Features that help manage ITP

Track your progress

Keep track of any changes or events.

Understand your ITP

Get a clean visual of your personal ITP trends.

Stay in control

Receive reminders for your medications and upcoming appointments.

Keep your doctor in the loop

You may share a summary report with your doctor without ever leaving the app. This gives the doctor a better sense of what your specific needs are—before you even step into their office.

Are you ready to upgrade your ITP experience?

Download the my florio ITP™ app and get started today.
